

FAST FORWARD TO THE UNIVERSITY OF CALIFORNIA

IT'S AS EASY AS A...B...G!

Hey! Did you know that to be eligible for admission to the University of California, you need to take--and do well in--a specific set of classes called the *A-G Requirements*?

Plus, Cal State Universities and most private colleges and universities across the country ask that you take college prep classes just like them.

So take the classes that count!

A. HISTORY/SOCIAL SCIENCE*

two years required

B. ENGLISH

four years required

C. MATHEMATICS

three years required;
four years recommended

D. LABORATORY SCIENCE

two years required;
three years recommended

E. LANGUAGE OTHER THAN ENGLISH

two years required;
three years recommended

F. VISUAL AND PERFORMING ARTS

one year required (beginning Fall 2003)

G. COLLEGE PREPARATORY ELECTIVE

one year required (beginning Fall 2003)

Take the classes that count at your school:

paste A-G list as 1-2 standard letter size sheets in this space

paste A-G list as 1-2 standard letter size sheets in this space

*Remember: these are only the *minimum* University of California entrance requirements; the more college prep classes you can take, the better! To find out more, including up-to-date A-G course lists for your school and comprehensive UC application info, visit: <http://www.ucop.edu/pathways>

brought to you by the Center for Educational Outreach, University of California, Berkeley • ceo.berkeley.edu • ©2002 Regents of the University of California

A-G POSTER PRINTING NOTES:

1. enlarge poster to full size of 18" wide x 24" long (length to dotted line only)
2. download your school's A-G list from the UC Pathways website
3. paste list as standard letter sized sheet in spaces above
4. crop along dotted line
